PLÁSTICAS

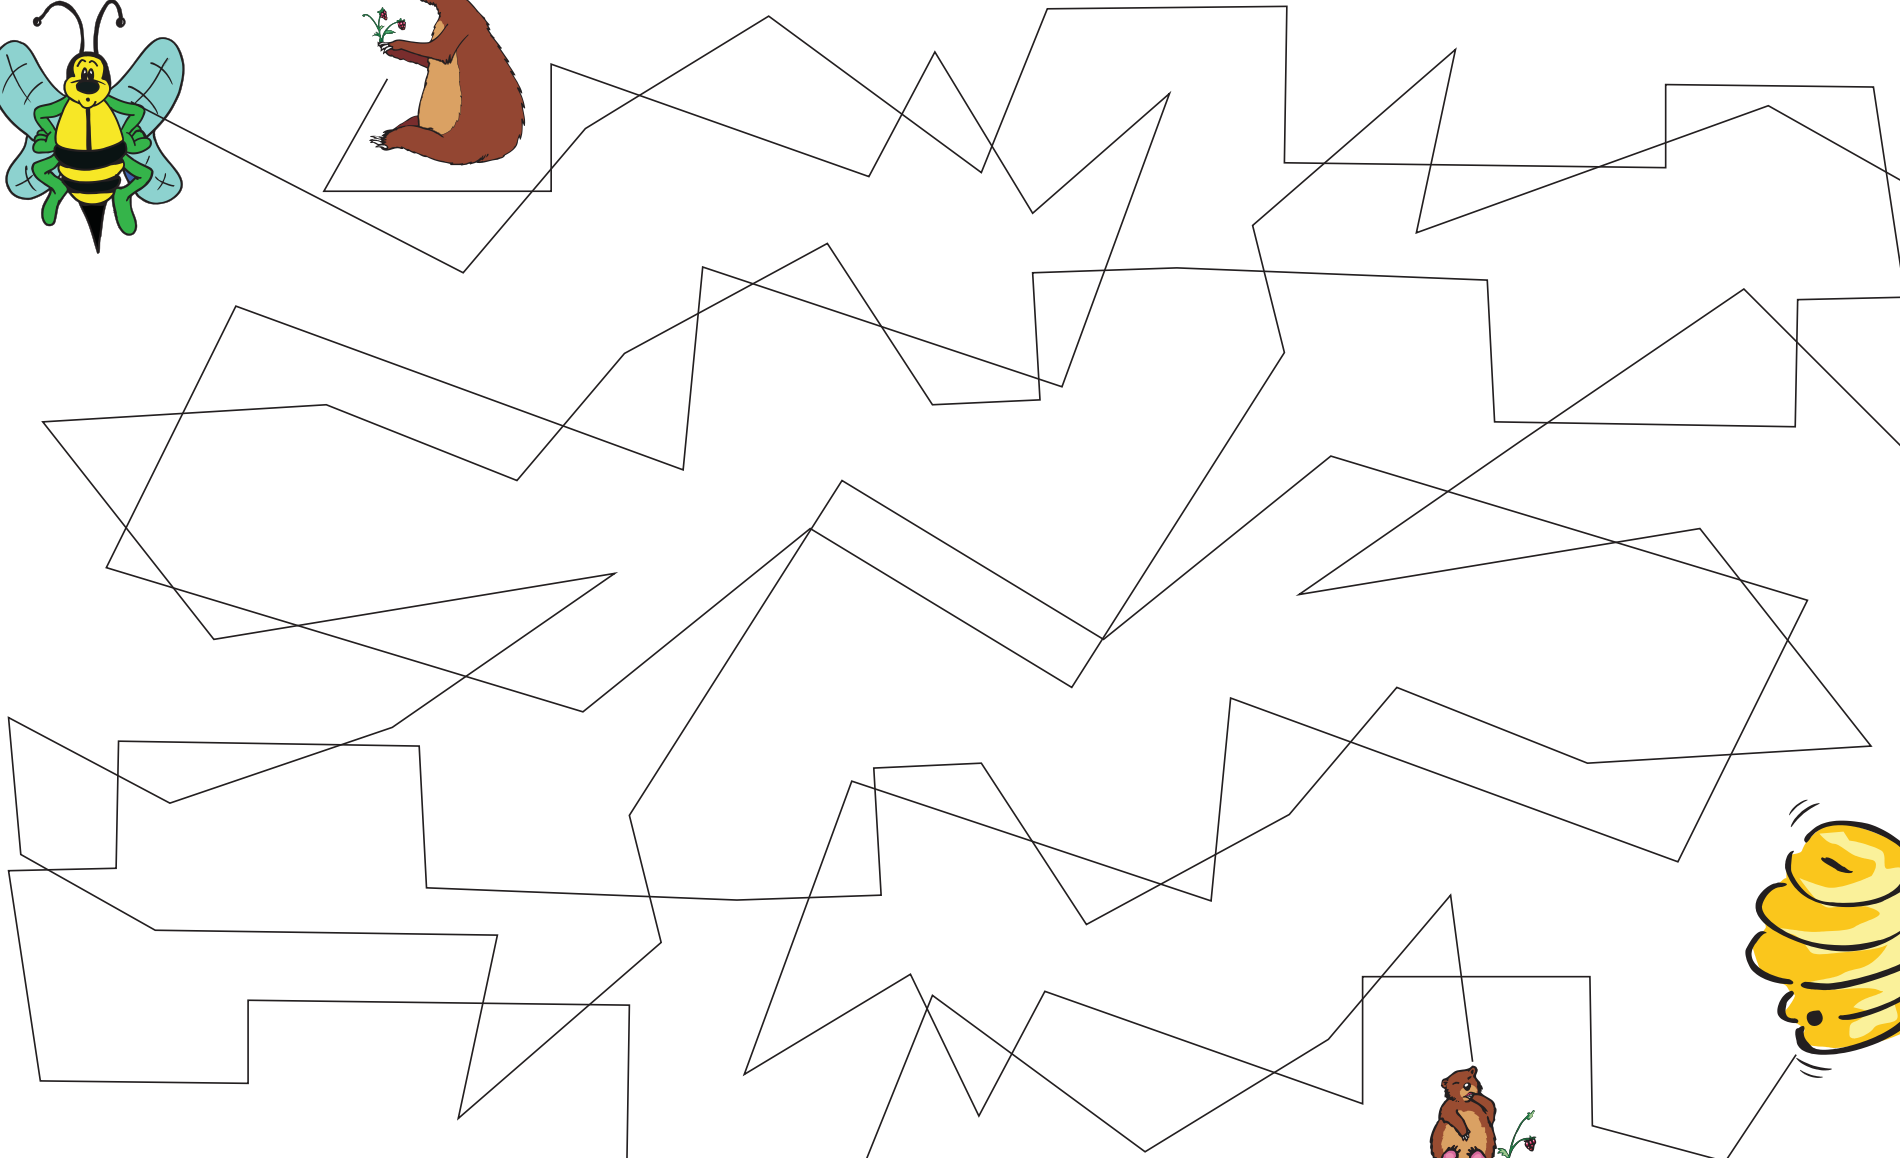

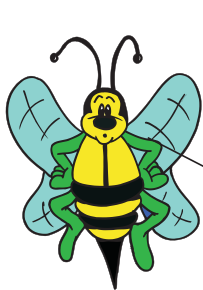

MES 1

Colorea las mariposas que vuelan hacia la derecha. No colorea el resto.

Repasa y completa los trazos.

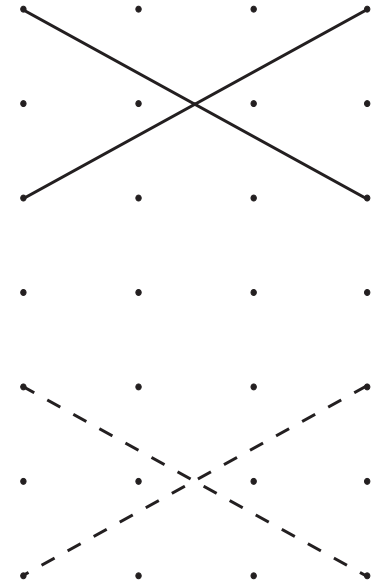

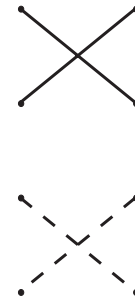

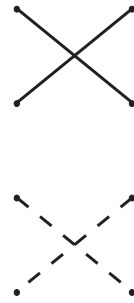

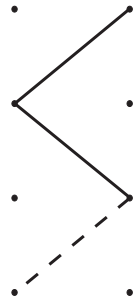

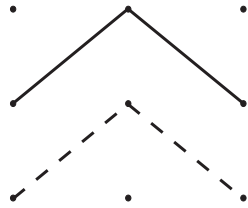

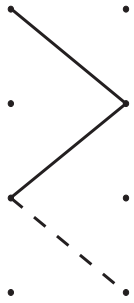

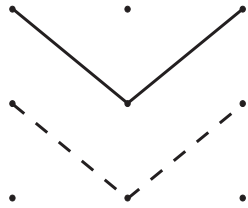

Traza con tu dedo índice el camino que recorre la abejita y la mamá osa. Cuando lo hagas bien y lo más rápido posible, traза los caminos de diferente color.

MES 2

Completa las series de líneas rectas inclinadas.

Completa las figuras de la segunda y tercera fila trazando las líneas rectas inclinadas que faltan.

Rellena el cabello de la niña pegando varias tiras de lana color café o amarillo. Sigue la línea curva.

MES 3

Colorea el pez de amarillo con líneas rectas verticales, la pecera de azul con líneas horizontales y el cuadrado del fondo de rojo con líneas inclinadas.

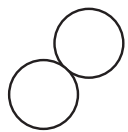

Algunos diseños que puedes formar

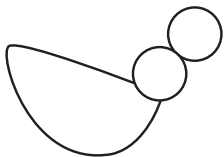

Decora la mariposa con pedacitos de papel lustre. Usa colores primarios en forma de triángulos.
