

ARTES PLÁSTICAS

The background of the slide features a collection of art supplies. In the upper left, a white cup is filled with green paint. To its right is a wooden palette. Below the cup, a yellow brush lies on a surface with some paint splatters. In the lower right, a white paint palette with several wells of color (black, red, orange, green) is visible. Another yellow brush is positioned diagonally across the bottom right.

ARTES PLÁSTICAS

A collection of art supplies is arranged on a light-colored surface. In the upper left, a white ceramic cup with a red zigzag pattern around its base is filled with bright green liquid. To its right is a large, oval-shaped palette with a light orange or yellowish tint. In the foreground, two white plastic paint palettes are visible. The one on the right has four circular wells containing black, dark red, and two shades of red paint. The one on the left has four wells with red, dark red, orange, and light orange paint. A yellow-handled paintbrush with a dark tip is positioned diagonally across the palettes. There are also some small, scattered paint splatters and a yellowish-green wash on the surface.

ARTES PLÁSTICAS

A collection of art supplies is arranged on a light-colored surface. In the upper left, a white ceramic cup with a red and orange checkered band around its middle is filled with a vibrant green liquid. To its right, a large, oval-shaped palette is partially visible, showing a wash of yellow and orange paint. In the foreground, two white plastic paint palettes are open. The one on the left contains several wells of red and orange paint. The one on the right contains wells of black, red, and blue paint. A yellow-handled paintbrush with a dark tip is positioned diagonally across the lower part of the image, resting on the red paint wells of the foreground palette. The background is a plain, light-colored surface with some faint paint splatters.
