The background of the slide features various art supplies. On the left, a white ceramic cup with a red decorative pattern around its base is filled with a vibrant green liquid. To the right, a white paint palette contains several wells of color, including black, red, and blue. In the foreground, a yellow paintbrush lies diagonally across the scene. The overall composition is bright and colorful, set against a light, neutral background.

# ARTES PLÁSTICAS

A collection of art supplies on a light-colored surface. In the center is a white cup with a red zigzag pattern, filled with green paint. To its right is a white palette with several wells of paint in black, red, and blue. In the foreground, another palette shows wells of red, orange, and yellow paint. A yellow brush with a wooden handle lies across the palettes. A large, light-brown oval shape is visible in the upper right background.
